

REMARKS

Applicants thank the Examiner for the interview of February 3, 2010. Reconsideration of this application, as amended, is respectfully requested. Claim 88 has been amended to incorporate the “surfactant” limitation of claim 93. Accordingly, claim 93 has been cancelled, and the dependency of claim 94 amended to claim 88. Claims 103 and 104 have been cancelled as the subject matter thereof is encompassed by claims 96 and 98, respectively. The amendments presented herein do not add any new matter. All amendments have been made without prejudice or disclaimer. Applicants reserve the right to prosecute all cancelled or otherwise unclaimed subject matter in this or another application as appropriate. Consideration and entry of these amendments and remarks is respectfully requested.

As agreed during the interview, Applicants’ previous arguments have been considered by the Examiner and deemed persuasive regarding all pending rejections. The Examiner stated in the Interview Summary that, barring the finding of new prior art, the claimed subject matter was in condition for allowance. Accordingly, it is respectfully requested that all pending rejections be withdrawn.

CONCLUSIONS

Reconsideration of this application and issuance of a Notice of Allowance as soon as possible is respectfully requested. The Examiner is encouraged to contact the undersigned if he believes doing so would expedite prosecution.
